Compliance

Check each of the following to signify your compliance:

- I am not a previous Grand Prize winner of the Patricia Crump Vocal Competition.
- I have strong Wisconsin ties, such as having been raised in, gone to school in, or currently living in Wisconsin.
- I am in the beginning stages of my professional career and not currently under management.

Video Submission

Two arias in contrasting styles and languages performed with piano accompaniment. Videos must be recorded within 12 months of the application deadline and must be made without acoustical enhancement or amplification. Each selection should be filmed in a single take. Videos should show the singer in full view from the audience's perspective, and the singer's face should be completely visible. The name of the singer and the title and composer of each aria must be included in the video (title, caption, or announcement). You may opt to submit an oratorio or orchestral piece in lieu of one of the arias. The combined length of the two pieces may not exceed 10 minutes. YouTube links are preferred. Please remember to set the privacy settings accordingly.
